DRAFT - SUBJECT TO CHANGE

How to prepare for a workshop?

- Workshops will be on a first come first serve basis. Numbers will be determined by the facilitator of each workshop on the day.
- Please make sure you are freshly showered with nice fresh breath.
- Please make sure your fingers and toenails are cut.
- Please remove any jewellery you wear and store safely.
- Please arrive 10 mins before the workshop starts so it can start on time and so you don't miss out.
- Please bring with you a yoga mat (if you have one), towel, cushion and water bottle. Most classes will require this or at least some of them.
- If you have any contagious skin conditions please do not attend skin on skin touch workshops, sorry.
- Please **do not be under the influence of alcohol (or any other substances)** when attending a workshop. If a facilitator believes you are under the influence you will not be able to attend. This does not apply to games, competitions or parties
- It is your responsibility to respect your own and another person's boundaries and consent. Say 'No' politely, 'Yes' enthusiastically and if it's a 'not sure'; it's a no, until it becomes a yes!
- The agreements that are set out at the start of the workshop are set by your facilitator and are to be adhered to throughout the workshop. If you do not adhere to these agreements you may be asked politely to leave the workshop.
- You can arrive at a workshop with a partner or one will be allocated to you randomly at the start of the workshop if possible.
